

## THE GLEN ELLYN FOOD PANTRY CAN HELP!

### ABOUT US

We've been providing nutritious food to our neighbors in DuPage County since 1979. We can set you up with weekly pre-packed groceries via our contact-less, friendly food distribution right from our parking lot. And once a month you can make an appointment and choose some of the food you'd like - all for free. That leaves money for rent and day-care and transportation and doctor visits.
